

Teaching of the Month

When you find a particular teaching or a course to be extraordinarily beautiful, you are also very welcome to nominate it by emailing birgit@marpafoundation.org

By highlighting teachings in this way, the wish is that they will be of great inspiration to others as well.

If you want to enjoy the benefits of enrolling in a course—Dashboard, Course Overview, Messages and so on—please log in with your personal user.

You can enroll in the Administration box that appears in a course to the left. Unless otherwise stated, ALL courses in this category have one and the same enrollment key: KTGR
